

Clean right to get GREEN

Carpet Cleaner

The problem with other carpet cleaning solutions is they leave a sticky residue and cause rapid re-soiling. We have eliminated that problem with our e-clean Carpet Cleaner. Our third generation dehydration technology without acrylics.

Use with the companion e-clean products for building maintenance: Restroom Cleaner, Glass Cleaner, Carpet Cleaner, Spot Cleaner.

For floor care use e-clean Finish, Stripper, Dri-Buffer and Floor Cleaner to have a safe, clean floor surface.

How to use:

Before using e-clean Carpet Cleaner, vacuum carpet to remove loose soil and test cleaner on an out of sight spot to be sure carpet is colorfast.

EXTRACTION CLEANING: Dilute 2 or 3 oz. of e-clean Carpet Cleaner per gallon of water and follow machine directions.

BONNET CLEANING: Dilute 1 part e-clean Carpet Cleaner with 40 parts water (3 oz. per gal.). Spray solution over an absorbent bonnet and over section of carpet to be cleaned. (For superior results, use Clausen microfiber bonnets.)

Specifications

Appearance.....	Clear liquid
Odor.....	Mild
Biodegradability.....	Complete
Phosphates.....	None
Green Certified.....	Yes
pH.....	9.0
Flash Point.....	>212f

Packaged in 4/1 gallons
