

Clean right to get **GREEN**

Dust Mop Treatment

e-clean product Dust Mop Treatment is a high quality formulation which attracts and holds dust to the dust mops. Removes dust quickly and completely from all surfaces. Can be used to attract dust to mops and cloths which have been lightly treated.

Use with the companion e-clean Stripper, Dri-Buffer and Floor Cleaner to have a safe, clean floor surface.

For building maintenance: Restroom Cleaner, Glass Cleaner, Spray Cleaner, Carpet Cleaner, Spot Cleaner.

How to use:

Apply e-clean Dust Mop Treatment to mops at the following rate:

18-24" dust mop – 4-6 oz. per mop

36-48" dust mop – 8-10 oz. per mop

Wrap in plastic bag to fully cure for best performance to allow full penetration.

Allow a minimum of one hour but best dwell time is overnight, before using the dust mop. The mop fibers need to absorb the treatment prior to use.

Specifications

Appearance.....	Clear liquid
Odor.....	Mild
Biodegradability.....	Complete
Phosphates.....	None
Green Certified.....	Yes
pH.....	8.0
Flash Point.....	>212f

Packaged in 4/1 gallons
