

Clean right to get GREEN

## Floor Cleaner

e-clean Floor Cleaner is formulated to really clean high gloss floors. With a pH just above neutral, it has the alkaline punch to remove soil but not dull the gloss of the finish. At “in use” dilution it closely matches the pH of the finish. e-clean Floor Cleaner is the finest cleaner available for high traffic, high gloss floors.

Use with the companion e-clean Stripper, Dri-Buffer and Floor Cleaner to have a safe, clean floor surface.

### How to use:

**FOR DAMP MOPPING:** Mix approximately two ounces of e-clean Floor Cleaner per gallon of water. Apply as you would an ordinary cleaner, but there’s no need to rinse.

**FOR AUTOMATIC SCRUBBING MACHINES:** Mix approximately one ounce of e-clean Floor Cleaner per gallon of water in the solution tank. Apply, scrub and pick-up as you would ordinary low-foam cleaners. No need to rinse.

### Specifications

Appearance.....	Clear liquid
Odor.....	Mild
