

Clean right to get **GREEN**

## Glass Cleaner

e-clean Glass Cleaner is a concentrate developed for easy fast and effective cleaning of glass, counters, sinks and other hard surfaces not harmed by water. Quickly cuts through the heavier soils deposited in factories, offices, schools, hospitals, hotels, motels, etc.

Use with the companion e-clean products for building maintenance: Spray Cleaner, Glass Cleaner Carpet Cleaner and Spot Cleaner.

### How to use:

Mix 6 ounces of e-clean glass cleaner with one gallon of water or dispense from the e-clean solution center (SC). e-clean SC® products are automatically diluted at the proper concentration.

Spray onto Micro fiber Mighty Mitt, cloth or paper towel in a course mist. Spread with a paper towel or cloth to fully cover surface and to loosen soil. Then with a dry paper towel or micro fiber cloth, wipe to a sparkling film-free surface.

**e-clean products** are powerful solutions that are carefully formulated to give superior performance while maintaining balance with nature. e-clean products are certified safe for the environment and for the user. Clean right to get Green!
