

Clean right to get GREEN

Restroom Cleaner

e-clean Restroom Cleaner is a concentrate developed for easy fast and effective cleaning of glass, counters, sinks, toilet and other hard surfaces not harmed by water. Excellent also for ceramic tile, porcelain, formica, stainless steel and other high gloss surfaces. It will effectively remove soap film and mineral deposits from hard water.

Use with the companion e-clean products for building maintenance: Glass Cleaner, Spray Cleaner Carpet Cleaner, Spot Cleaner.

How to use:

Mix 16 ounces of e-clean restroom cleaner with one gallon of water or dispense from the e-clean solution center (SC). e-clean SC® products are automatically diluted at the proper concentration.

Spray onto Micro fiber Mighty Mitt, cloth or paper towel in a course mist. Spread with a paper towel or cloth to fully cover surface and to loosen soil. Then with a dry paper towel or micro fiber cloth, wipe to a sparkling film-free surface.

Specifications

Appearance. clear colorless liquid
Odor..... Floral
