

Clean right to get GREEN

## Spray Cleaner

e-clean Spray Cleaner is a unique, concentrated formulation that contains no butyl or any other solvent, yet cleans better than products that do. Quickly emulsifies and dissolves animal fats, vegetable oils, petroleum greases and oils, It suspends them along with soil for easy removal.

Use with the companion e-clean products for building maintenance: Restroom Cleaner, Glass Cleaner, Carpet Cleaner, Spot Cleaner.

### How to use:

Mix 8 ounces of e-clean spray cleaner with one gallon of water or dispense from the e-clean solution center (SC). e-clean SC® products are automatically diluted at the proper concentration.

Spray on in a fine mist. Spread with a paper towel or micro fiber cloth or mitt to fully cover surface and to loosen soil. Then with a dry paper towel or micro fiber cloth, wipe to a sparkling film-free surface.

### Specifications

Appearance.	clear colorless liquid
Odor.....	Mild
Biodegradability.....	Complete
Phosphates.....	None
Green Certified.....	Yes
pH.....	9.0
Flash Point.....	167->212f
Packaged in 4/.5 gallons, 4/1 gallons, 12/1qts RTU
