

Liquid Restorer

e-clean Liquid Restorer is a new product with a unique technology that provides the ultimate in floor appearance restoration, protection and safety. **e-clean Liquid Restorer** is especially designed to clean and restore the appearance of **e-clean Liquid Restorer**.

This product effectively removes soil, repairs finish and polishes the floor to a better than original shine. Use **e-clean Liquid Restorer** as part of the e-clean no-strip program to keep floors looking new.

Use with the companion products, **e-clean Floor Cleaner** and **e-clean Deep Scrub & Stripper**, to maintain a safe, clean, new gloss floor surface.

How to use:

Automatic Scrubber application:

1. Sweep floor with an untreated dust mop or microfiber pad to remove loose dirt.
2. Dilute **e-clean Liquid Restorer** in the automatic scrubber at a 4 ounce per gallon water use ratio.
3. Use a red light cleaning pad, scrub and pick up solution in one pass. Allow floor to completely dry.
4. Burnish with high speed equipment and pad.

For Mop On application:

1. Sweep floor with an untreated dust mop or microfiber pad to remove loose dirt.
2. Dilute **e-clean Liquid Restorer** in a mop bucket at a 2 ounce per gallon water use ratio.
3. Damp mop the floor and allow it to dry completely.
4. Burnish with high speed equipment and pad.
